PROGRAM

Laura Sossong - Director of Client Services for Safer Watch. They are a mobile application that facilitates 2-way communication between citizens and law enforcement through submission of tips and notifications, serving as an important tool in enforcing community safety. You can learn more about us here: <https://www.saferwatchapp.com>.

Tom Margetta from - STRAX® Intelligence Group empowers Public Safety agencies to improve overall response and safety by providing STRAX®, a common operating platform that delivers real-time tactical intelligence and tools for collaboration, information dissemination and data analysis. Originally having launched as EagleEye with a UAS/Drone focus, they have now further expanded into Real Time Crime Centers utilizing the strength of our Internet of Things (IoT) platform to integrate disparate systems like IP Camera Video Management, License Plate Readers, Gunshot Detection, Radar, etc. Through Intelligent Event Response (IER™) workflows customized to each law enforcement agency, STRAX provides Smarter Response Solutions.

Statewide Prosecutor Nick Cox will be addressing issues relating to human trafficking.
