PROGRAM

Scott Pallack from SmartCOP Inc., located in Pensacola, Florida, is a leading public safety software provider in the United States. We are engaged in system development, implementation, and support services for a fully integrated suite of public safety products. This suite includes Computer Aided Dispatch (CAD), Records Management System (RMS), Mobile Computing with Field Based Reporting, and Jail Management Software (JMS).

SmartCOP has been in business for more than two decades dedicated solely to public safety initiatives. We have built our reputation and record of performance with state and local governments by providing quality information technology and business process outsourcing to our customers. We have a strong presence in Florida as the vendor of choice for 28 of 67 counties, 45 municipalities, and six statewide agencies. Many of these agencies have been using the SmartCOP solution for almost 20 years.

We look forward to meeting with the Broward County Chiefs of Police to discuss the success of Florida agencies using SmartCOP's Records Management System.

Introducing from Behavioral Health, Kala Neilson Director of Business Development and Miguel Fernandez, COO – They want to discuss their dedicated first responder unit will be opening January 16th, 2020. They want to speak about some feedback they received regarding the need for police departments education on health issues. They have had reports from Memorial Regional (Joe DiMaggio ER) – they get police departments bringing kids in all the time that they would prefer to be brought straight to them.

Heather Geronemus – from MADD, will be speaking about Mothers Against Drunk Driving, and their partnership with law enforcement. She will discuss their 10th Annual Walk Like MADD event coming up on April 26th, 2020.

COMMITTEE REPORTS

Chief Paul O'Connell – will be going over the Leadership Academy, Educational Advisory Committee meeting, Training, The Law Enforcement Memorial is set for Thursday, April 23rd, and the Plantation Police Department is hosting.
