SaferWatch app is revolutionizing how citizens report suspicious activity, online threats and crime tips. SaferWatch tips are sent directly to local law enforcement agencies in real-time. The SaferWatch Platform also empowers local law enforcement to send out real-time geo-target alerts to residents and visitors. SaferWatch Alerts cover both non-emergencies notifications and emergency alerts. You can learn more about implementing SaferWatch for your community by visiting SaferWatchApp.com

Alexis Galeote and James Alosi from - STRAX® Intelligence Group empowers Public Safety agencies to improve overall response and safety by providing STRAX®, a common operating platform that delivers real-time tactical intelligence and tools for collaboration, information dissemination and data analysis. Originally having launched as EagleEye with a UAS/Drone focus, they have now further expanded into Real Time Crime Centers utilizing the strength of our Internet of Things (IoT) platform to integrate disparate systems like IP Camera Video Management, License Plate Readers, Gunshot Detection, Radar, etc. Through Intelligent Event Response (IER™) workflows customized to each law enforcement agency, STRAX provides Smarter Response Solutions.
